Inland Logistics Port - Kingsbury (ILPK) is a dual rail served park providing truck and rail connectivity access to the Upper Midwest Consumption Zone, reaching 41 million people in one day's drive.

Green Express is providing dedicated unit train service connecting ILPK to Providence's Logistics Port Manatee (LPM) at Port Manatee, FL. Future service will connect ILPK and LPM to Camden, NJ. Truck and rail access is also available from ILPK to the Port of Indiana (Burns Harbor).

ILPK is a CSX "Select Site" candidate location for manifest, bulk and transload cargos serving the entire Upper Midwest Consumption Zone. Occupants within ILPK realize significant cost savings due to private roads, hostler and overnight capabilities. Sites having flexibility to handle multiple uses including transloading, food distribution, refrigerated warehousing and bulk commodities. Due to the transportation efficiencies, ILPK is an ideal location for manufacturing and processing.

The combined advantages of the Green Express and on-site TRANSLOAD facilities makes ILPK a unique rail served park; designed to **SHORTEN** your **SUPPLY CHAIN** and **REDUCE** your **TOTAL LANDED COST**.
